Overview

A naturally curious, determined and passionate professional with managerial and customer service experience. Possesses a unique balance of analytical, detail-oriented, and interpersonal skills. A proven problem solver who works well under pressure and is willing to rise to new challenges and learning experiences. Continually expanding knowledge and stays current on design and development trends through personal projects. Looking for a new opportunity to expand current skill set and create an instant impact.

Experience

UX Designer 2

Savana Inc.

2021 - Present
Remote
Malvern, PA

- Created wireframes, visual designs, interactive prototypes and mockups for both consumer facing and enterprise applications.
- Created and maintained a design system for both consumer and enterprise applications.
- Created custom illustrations and iconography for applications.
- Collaborated with development to ensure expected design is understood and implemented as expected.
- Continuously research and stay up-to-date with industry trends.

Digital Marketing/Online Banking Specialist

First National Bank & Trust Company of Newtown

2017 - 2021
Newtown, PA

- Redesigned the website and coded a working mockup.
- Managed the implementation of website changes by third party.
- Created various graphics for website, mobile app, and print use.
- Balanced daily tasks and projects to meet tight deadlines.

Inside Sales Coordinator

Premier Rides Inc.

2016 - 2016
Baltimore, MD

- Created and maintained a database of worldwide client contacts.
- Created a separate database of potential business opportunities based on daily research. Followed up with and maintained communication with prospective clients. Created a set of document templates to be used to streamline daily tasks.

Store Manager/Product Specialist

Total Hockey

2012 - 2016
North Wales, PA

- Oversaw the daily operation of a hockey retail store. Organized, scheduled, and managed multiple store events. Other tasks included running weekly inventory counts to ensure accuracy and place replenishment requests.
- Earned national "Store of the Year" title from the company president.
- Created and implemented a company-wide system of document templates to streamline daily tasks.

Education

AS: Computer Science

Bucks County Community College

Newtown, PA
Class of '21

- Completed coursework in Java, VB.net and SQL.
- Completed an Engineering Graphics elective course.

Hobbies & Interests

- Enjoys traveling, backyard astronomy, digital design, and Star Wars.
- Plays on two ice hockey teams, one as a goaltender and the other as a defenseman.
- Passionate about visiting amusement parks around the country.
- Currently designing a mobile app to keep track of parks visited.
